

Aubrey Rybyinski, BS, RDMS, RVT, FSDMS

Secretary

Aubrey is the Senior Clinical Manager at Navix Diagnostix in Taunton, Massachusetts. In addition to serving on the SDMS Board of Directors and the SDMS Conference Management Committee, Aubrey acts as the SDMS representative on the IAC Vascular Testing Board. He also lectures at national conferences and has contributed to almost a dozen textbooks.

"After shadowing my mother who is a cardiovascular sonographer at work, I fell in love with sonography," said Aubrey. "Sonography has been an amazing journey since I started. It has become my passion to help people and make a difference in their lives by providing quality healthcare services. It's an honor to have the opportunity to impact my patients by providing them with the same thoughtful, attentive care I would expect if they were my own family member." A love for sonography runs in Aubrey's family. In addition to him and his mother, his wife is also a sonographer.

Aubrey holds an Associate of Diagnostic Medical Sonography from Rowan College of Gloucester County and a Bachelor of Diagnostic Medical Sonography from Advent Health University.
