

Patty Braga, MS, RDMS, RVT, RDCS, RT(R)

Director, SDMS Foundation Board of Directors

Patty is the Program Director of the Diagnostic Medical Sonography Program at Palm Beach State College in Palm Beach Gardens, Florida. Her past volunteer work with the SDMS includes serving as both a Director and Secretary on the SDMS Board of Directors. She currently serves as a site visitor for the JRC-DMS.

In 1975, Patty was working as an x-ray technologist when her department received an ultrasound unit. "The director asked who wanted to learn the technology," said Patty. "And as they say, the rest is history." Patty took her first ARDMS registry in 1977.

Patty holds a BS from St. Joseph's College and a MS-ED from Nova Southwest University.
